A GUIDE TO YOUR POLICY

Your policy is written in an easy to read language to help you understand your insurance coverage. This policy is a legal contract between you and us.

This policy consists of:

- The Declaration Page – Shows sections and coverage which you have purchased
- Policy Wording – Describes insurance that may be purchased for your property
- The Statutory Conditions – Required by provincial law and apply to the entire policy wording
- Additional Special Conditions – Conditions that apply to the entire policy wording
- The Standard Mortgage Clause – Applies if there is a mortgagee shown on the Declaration Page
- Optional Coverage and Endorsements – Describes other insurance that may be purchased

This policy contains various exclusions and limitations which eliminate or restrict coverage. Please read it carefully.

The policy wording consists of three sections:

- Section I - **PROPERTY COVERAGE** describes insurance which may be purchased for your property.
- Section II - **LIABILITY COVERAGE** describes the insurance for your legal liability to others because of bodily injury and property damage arising out of your premises or your personal actions.
- Section III - **CONDITIONS** describes the conditions required by provincial law on property and special conditions that apply to the entire policy wording.

Insurance cannot be a source of profit. It is designed to indemnify you against actual losses or expenses incurred by you or for which you are liable, arising from accidental events.

This policy is a legal contract which has been designed for you, based on the occupancy, use, services, utilities, and other circumstances pertinent to your property which you disclosed to your agent/broker at the time you completed your application. When there is a change to any of these circumstances, be sure to notify your agent/broker accordingly.

In the event of loss or damage to your property, notify your agent/broker or our SE Mutual Office immediately.

BASIS OF CLAIM PAYMENT – SECTION I

When coverage applies, we will pay for insured loss or damage up to your financial interest in the property but not exceeding the applicable amount(s) of insurance for any loss or damage arising out of one **occurrence**.

Any loss or damage shall not reduce the amounts of insurance provided by this policy.

If you qualify for a tax credit, the loss payment will be reduced by that amount.

Deductible: In anyone **occurrence**, we are responsible only for the amount by which the insured loss or damage exceeds the amount of the deductible shown on the Declaration Page.

If one **occurrence** could lead to the application of more than one deductible, only the largest deductible will apply.

If your claim involves personal property on which the “Special Limits Applicable to Some Personal Property” apply, the limitations apply to losses exceeding the deductible amount.

Dwelling and Detached Private Structures: If you repair or replace the damaged or destroyed building on the same **site** with materials of similar quality within a reasonable amount of time after the damage, you may choose as the basis of loss settlement either **(A)** or **(B)** below; otherwise, settlement will be as in **(B)**.

- A. The cost of repairs or **replacement** (whichever is less) without deduction for depreciation, in which case we will pay in the proportion that the applicable amount of insurance bears to 80% of the **replacement cost** of the damaged building at the date of damage, but not exceeding the actual cost incurred.
- B. The **actual cash value** of the damage at the date of the **occurrence**.

In determining the cost of repairs or replacement under **(A)** or the amount payable under **(B)** above, we will not pay or include the increased costs of repair or replacement due to the operation of any law regulating the zoning, demolition, repair or construction of buildings and their related services.

Personal Property (On Premises or Off Premises): We agree to pay any loss insured for Personal Property on the basis of **replacement cost** provided that:

- (a) The property, at the time of loss, was useable for its original purpose and is not obsolete;
- (b) you have repaired or replaced the property promptly;
- (c) electronic media is reproduced from duplicates or from originals of the previous generation of the media (we will not pay the cost of gathering or assembling information or data for reproduction);
- (d) records, including books of account, drawings or card index systems are transcribed or copied from duplicates.

Otherwise, the basis of claim payment will be the **actual cash value** of the damage on the date of the **occurrence**. You may choose payment on the basis of **actual cash value** initially. If you later decide to replace any destroyed or stolen personal property you may make an additional claim for the difference

between the **actual cash value** and **replacement cost** basis within 180 days after the date of loss. If the loss or damage is not replaced or repaired within a reasonable time, we will pay the **actual cash value** of the loss or damage at the date of the **occurrence**.

Loss of items such as fine arts, antiques, paintings and articles which, by their inherent nature, cannot be replaced with a comparable article will not be settled on a **replacement cost** basis.

Limited Roof Surface Coverage

“Dwellings and Detached Private Structures” shall be limited to option **(B)** for all covered physical loss or damage to any roof covering with evidence of **excessive wear and tear or deterioration due to age**, notwithstanding any other basis of loss settlement referred to under BASIS OF CLAIM PAYMENT section.

- e) **Termination** – The term of this mortgage clause coincides with the term of the policy: Provided always that the Insurer reserves the right to cancel the policy as provided by Statutory Condition but agrees that the Insurer will neither terminate nor alter the policy to the prejudice of the Mortgagee without the notice stipulated in such Statutory Condition.

INSURING AGREEMENT:

If the "Declaration Page" shows that the EARTHQUAKE ENDORSEMENT applies, this insurance extends the insured perils to include loss or damage caused directly by the peril of "earthquake" subject to the provisions of this endorsement and the attached policy wording.

EARTHQUAKE DEFINED:

For the purpose of this coverage, "earthquake" includes snowslide, iceslide, landslide or other earth movements occurring concurrently with and directly resulting from an "earthquake" shock.

More than one "earthquake" shock occurring within any consecutive one hundred and sixty-eight hours during the term of this policy will be deemed a single "earthquake" within the meaning in this coverage. If the policy covers two or more items this provision will apply to each item separately.

It is specifically understood and agreed, however, that this coverage shall cease to cover such items if they are not reported to use within the said 30 day period. We shall not be liable under the provisions of this agreement for more than 25% of the limit of insurance under this coverage on farm machinery and equipment.

2. Damage to Non-Owned Farm Equipment (Excluding Rented or Leased Equipment)

At your option up to 10% of the limit of insurance on farm machinery and equipment may be applied to indemnify you for loss or damage to non-owned farm machinery and equipment while in your care, custody or control caused by the perils insured against in this coverage.

3. Limited Waiver of Depreciation

In the event loss or damage to farm machinery exceeds the deductible amount shown on the Declaration Page, we agree to waive our right under the basis of claim payment subject to the terms and conditions below:

CONDITIONS

- (a) The limit of insurance on the damaged item must be maintained at 100% of its Replacement Cost Value. Failing to do so, you will only be entitled to recover that portion of any loss that the amount of insurance in force at the time of loss bears to the amount of insurance required to be maintained by this clause.
- (b) The owner/lessee must be the first owner/lessee of the farm machinery and the farm machinery was of the current model year at the time of delivery to the owner/lessee.
- (c) The damage must occur within 36 months of the date on which the farm machinery was first delivered to the owner/lessee.
- (d) This coverage will not apply with respect to
 - (1) Tires and batteries
 - (2) Betterment resulting from the necessary repair or replacement of parts having prior unrepaired damage.

- (e) Settlement will be made on this basis only when replacement has been made by you. In no event will we pay more than the actual purchase price of the farm machinery and its equipment to the owner/lessee or the manufacturer's suggested list price at the original date of purchase (or list price since then), or the actual replacement cost of the farm machinery and its equipment, whichever is the lesser amount.

BASIS OF CLAIM PAYMENT

Unless stated otherwise, we will pay the Actual Cash Value of insured loss or damage up to your financial interest in the property by not exceeding the applicable limit(s) of insurance for any loss or damage arising out of one occurrence.

The Actual Cash Value will take into account such things as the cost of replacement less any depreciation, and in determining depreciation we will consider the condition immediately before the damage, the resale value and the normal life expectancy.

If you qualify for a tax credit, the loss payment will be reduced by that amount.

Any loss or damage will not reduce the amounts of insurance provided by this policy.
